Here's the Place to Buy Them!

This season we are carrying a bigger assortment of Rugs than ever, thus giving our patrons additional advantages not found in the smaller stores. There are more patterns here than elsewhere—many sizes—scores of different kinds and designs, and a wide range of prices. On every Rug purchased here you can save considerable money, this you can learn by comparing our prices with those you are asked to pay elsewhere.

We have on exhibition the finest Domestic Rug made in this country. It is a one-piece Wilton, sizes 9 x 12 and 8-3 x 10-6. A purchase of one of these Rugs will settle the question for years to come. It is as heavy as a board, made of the very best of material and will outwear many of the oriental rugs, which costs three times as much.

We are anxious to show you these Rugs. Come, we know you will be more than pleased with your visit.

WE WANT

A SHARE OF YOUR COFFEE TRADE

We have been to a large expense to put ourselves in position to merit more of your trade. We have put in entire new fixtures for everything, including Tea and Coffee. Everything clean and fresh. Also a new electric power Coffee Mill that cuts the Coffee instead of smashing it. Did you ever notice that with the old hand mill the Coffee is ground very unevenly, some particles being very much larger than others? It is impossible to get a perfect cup of Coffee in this way, as the small particles cook much quicker than the large and you do not get the strength from the large ones unless you overcook the small ones. We offer you some specially good grades for Saturday in bulk Coffees:

A regular 25¢ Coffee Saturday for - - - 20¢
A regular 28¢ Coffee Saturday for - - - 22¢
A regular 30¢ Coffee Saturday for - - - 25¢
Our highest grade Coffee, and a good one, Saturday 30¢

These are all fresh roasted goods and will please you.
